Cruise Toward the Future

Dear members,

I am so happy to tell you we have reached over **100 members!** Our 100th member is **Thomas and Monica Hood.** The name of their boat is Silver Treasure. My goal for this year is 110 and as of now I have 102 so to our members if you know someone who has shown an interest in joining please let me know.

This is also a reminder the next weekend for **West Marine** is coming at the end of this month (**June 26, 27 and 28**) so make your list for your **10% off.** David at West Marine has been very good to us, so show him we appreciate it by buying lots.

I am also talking with Aqua Sol and we are going to have an agreement soon.

Thank you for all your support of the Yacht Club so far this year. With the rest of the summer to look forward to, including Herrington Harbor South, we are off to a great start.

Sandra Camp
